Adapters

OVERVOLT.PROTECTION SOCKET 16A IP20

Description of product family

White splitters for indoor use are suitable for Euro and Schuko plugs. With splitters, you can easily create additional places for electrical appliances in your home. The range includes a model with an on/off switch and several options with USB ports. A splitter is also available for the USB-C cord.

Technical details

Use a surge protector to protect sensitive electrical devices from possible voltage fluctuations. For indoor use only.
