Campus LED

CAMPUS LED IP20 G23 7,2W WH

Desk luminaire

Description of product family

The classic articulated Campus Led desk lamp is a great choice for a home office or a student's workspace. The lamp has an ergonomic design: the adjustable arm and head allow easy positioning of the light. The jointed structure reduces glare and improves ergonomics by letting you direct the light exactly where it's needed. Secure the lamp firmly to the edge of your desk using the screw clamp. The light source is a replaceable G23 LED bulb.
