Käpylä IP44 E27 RST

Wall luminaire

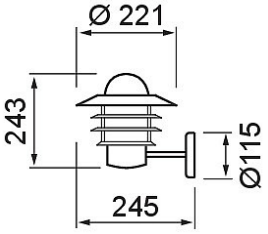

Description of product family

The Käpylä luminaires are timeless classics for Nordic yards. Choose the body in a colour that matches your house: steel, white or black. The glass dome protects the bulb and lets the light shine freely both upwards and downwards through the body's steel rings. Bulb choice has a significant impact on mood and luminosity. Use the Käplyä Mini together with Käpylä bollards to create a unified look.

Technical details

The timeless Käpylä wall lamp is perfect for illuminating Nordic yards. The bulb is protected by a clear glass globe that allows the light to shine unobstructed both upward and downward. Stainless steel frame. LED bulb with E27 base, max. 11 W, not included in the package. IP44.
