

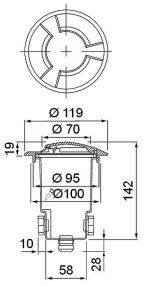
Holm 3Eye

Holm 3Eye IP65 GU10 GLFR ANT

Terrace light

Description of product family

The recess-mounted Holm Eye luminaire, which distributes light to the sides, is designed for use on patios or by front doors on residential properties. You can also use it indoors as an eye-catching accent lighting solution. The luminaire withstands being stepped on. It has a dust- and spatter-proof housing. You can select a GU10 lamp with a colour temperature and beam of your choice.



Technical details

A patio light that creates sideways light and is suitable for both indoor and outdoor use. The light can withstand getting stepped on, IK03. IP65. Aluminum frame with a decorative stainless steel ring, color anthracite. Matte glass globe. Choose your preferred PAR16 LED bulb with a GU10 base, max. 7 W, not included in the package.
