

Sund

Sund IP44 GU10 GLC WH

Wall luminaire

Description of product family

The elegant Sund distributes light downwards. Thanks to its compact size, Sund offers an ideal solution for a wide range of applications indoors and outdoors. As a light source, you can select a GU10 lamp with a colour temperature, luminous flux and beam of your choice. Spotlights with a narrow beam can be used to create interesting patterns of light.

Technical details

Sund wall lamp provides downward illumination. With its delicate design, this light is perfect for various spaces both indoors and outdoors. IP44. LED bulb, max. 7 W GU10, not included in the package. White aluminum frame, tempered glass globe. Not suitable for chaining.
