Boston

BOSTON NIGHT LIGHT 5LED W/SENSOR

Nightlight

Description of product family

The Boston night light features an automatic light-sensitive switch. The handy switch allows you to set it and forget: the small LED lamp will turn on automatically when the room is dark, producing a warm glow at floor level. Night lights consume very little electricity and have a long service life. For indoor use only.

Technical details

Boston night light features an automatic dusk sensor. A warm, small LED light turns on automatically near floor level when the room gets dark. Light source: 1 W LED, 14 lm. Colour temperature: 2900 K, warm white. IP20, for indoor use only. 230 V ~ 50 Hz.
