SmartHome CCT RGB

Smart PAR16 827-865 RGB 345lm GU10

Enjoy your home lighting in all colours.

Description of product family

The opal-finish Airam SmartHome CCT RGB LED lamps are suitable for general home lighting. Enjoy lighting in all colours as well as adjustable white light tones. Easily adjust the colour temperature from warm to cool white (2700–6500 K) using your mobile device. The lamps also feature RGB functionality, allowing you to change the light colour to suit the mood and occasion. The lamps can also be switched on and off using a standard wall switch, while the last used lighting setting is stored in the lamp's memory.

Airam SmartHome smart products are controlled via the Airam SmartHome app. Download the free app from the App Store or Google Play. Connect the devices directly to your home WiFi network – no separate hub is required. The products can also be connected to voice control via Google Assistant, Amazon Alexa or Siri Shortcuts.
