Nora

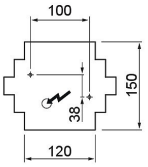

Nora IP54 7W PCO WH

Description of product family

The Nora wall luminaire provides soft light both upwards and downwards. The lamp's timeless, classic design hides within it carefree fixed LEDs. The petite Nora is a great fit for decorative lighting both outdoors and indoors. It can also be used in damp spaces. Install the luminaire by your entrance or along a corridor to create a cosy and inviting atmosphere. When placed on a bathroom wall, Nora highlights the structure of the wall surface and creates a pleasant spa atmosphere.

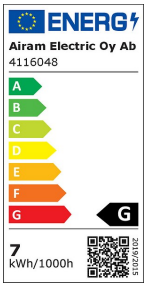

Technical details
