

Vino

Vino IP65 IK10 E27 PCO BK

Wall luminaire

Description of product family

The street number is easily visible from this good-sized general-purpose and street number-indicating luminaire. Rated the highest IK10 impact-strength class, the Vino luminaire is ideal as an indicator light on buildings located by a street. The luminaire's UV-protected body is resistant to sunlight. The luminaire comes with black letter and number stickers (A–J and 2 x 0–9). We recommend using an A60 LED bulb with an E27 base as the light source.

Technical details

The generously sized wall and house number light ensures that your house number is clearly visible. The Vino luminaire has the highest impact resistance rating, IK10. The package includes black letter and number stickers (A–J / 2 × 0–9). Black housing with a white diffuser, made of polycarbonate. Surface-mounted for wall installation. Loop-through wiring 3 × 2.5 mm² with spring terminals. IP65. Max. A60 11 W E27 LED lamp, not included. Ambient operating temperature: -20 to +25 °C.
