Cafea

CAFEA STEEL THERMOS JUG 1,0 L

A dishwasher-safe steel thermos jug

Description of product family

The Cafea jug can be washed in a dishwasher without risking damage! The vacuum-insulated structure ensures excellent heat retention. Available in two sizes: 1 L and 1.5 L. Made of stylish steel that complements your table setting. The jug is equipped with an easy-to-use, air-tight quick-tip lid. No glass components. A long, 10-year warranty covers manufacturer defects. Keep your receipt.
