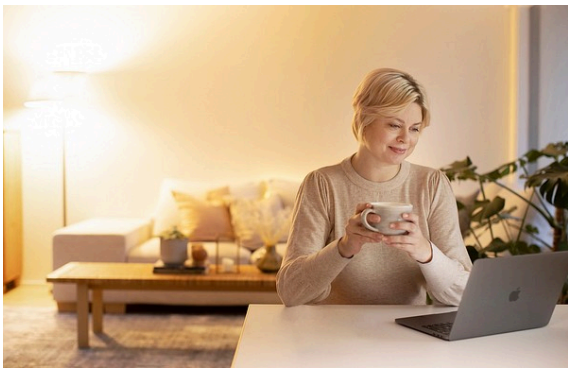
SmartHome Opal CCT

Smart PAR16 827-865 345lm GU10 36D

Adjust the colour temperature seamlessly from warm to cool white.



Description of product family

Opal-finish Airam SmartHome CCT LED lamps are suitable for general home lighting. Easily adjust the colour temperature from warm to cool white (2700 K–6500 K) using your mobile device, according to mood and situation. The lamps can also be switched on and off with a conventional wall switch, while the last used lighting setting is stored in the lamp's memory.

Airam SmartHome smart products are controlled via the Airam SmartHome app. Download the free app from the App Store or Google Play. Connect the devices directly to your home WiFi network – no separate hub is required. The products can also be connected to voice control via Google Assistant, Amazon Alexa or Siri Shortcuts.
