

LED-linear with R7s base

LED R7S 827 2000lm 118mm

Replace linear halogen lamps with LEDs!

## Description of product family

LED lamps for replacing old linear halogen lamps. Available in two different sizes and one dimmable model. The powerful linear LED lamps with an R7s base are suitable for use as light sources in various floodlights, for example. They are particularly suitable for applications where powerful light is needed for long periods, such as during renovation work. The lamp's technical specifications are clearly stated on the packaging.

## Technical details

Opal linear LED lamp. Power 15 W, warm white colour temperature 2700 K. R7s base, 2000 lm, lifetime approx. 15,000 h. Dimensions Ø 29 × 118 mm. Carton. Beam angle 330°. Frequency ~50/60 Hz. Good colour rendering index CRI > 80. Instant start with full light output immediately. Continuous, even light spectrum with no colour distortion. No UV or IR radiation. Three-year warranty.
