

Lucca

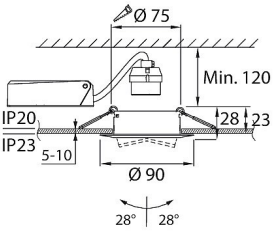

Lucca IP23 GU10 WH

Downlight

Description of product family

Choose the compact Airam Lucca recessed downlight when you need a directional GU10-base aluminium fixture. Select a LED lamp with the colour temperature (kelvin) and brightness (lumen) that best match your interior. The low-profile housing is easy to install in ceilings or walls. Lucca is suitable for general lighting in various dry indoor spaces. The light can be directed +/-28°.

Technical details

Compact Lucca downlight with adjustable angle allows you to choose a PAR16 LED bulb with a GU10 base (max. 8 W) that fits your needs. White aluminum frame. Recessed installation in the ceiling, junction box included. IP20/IP23.
