IP20

Optical 10-year smoke alarm Hush

SMOKE ALARM OPTICAL HUSH 10 YEAR

Description of product family

Optical smoke alarm with a built-in 10-year battery. The Hush button allows you to mute the alarm for 9 minutes when required, such as during cooking, to avoid unnecessary alarms. The fire alarm returns to the active mode automatically after the 9-minute period. The smoke alarm emits a warning sound when its service life is coming to an end. The alarm should be recycled as electronic waste.

Technical details

Optical fire alarm with a built-in 10-year battery. Hush function prevents unnecessary alarms when cooking, for example. 85 dB. Size: Ø 102 x 35 mm.
