Linkable Smoke Alarm

LINKABLE SMOKE ALARM INC. BATTERIES

Description of product family

Has a 40 m range in unobstructed spaces: when the alarm goes off in a room, the other alarms linked to the same chain in other spaces will also go off. This optical fire alarm will recognise visible smoke and react quickly by sounding a loud alarm. EN 14604 approved. Packed in recyclable cardboard packaging that can be displayed either on a spike or on a shelf.

Technical details

Wirelessly interconnectable smoke alarm. Range up to 40 m in open space. When an alarm is triggered in one room, all other alarms connected to the same network will also sound. Detects visible smoke and responds quickly with an audible signal. Includes batteries: 1 × 9 V and 3 × AA. 433.92 MHz, 85 dB, EN14604 approved.
