Stella Clip

Stella Clip IP20 3W/830 280lm WH

Clip-on luminaire

Description of product family

With the Stella Clip spotlight, you can replace a table or wall lamp either permanently or temporarily. Attach it easily to a shelf, desk edge, or bed headboard with the handy clip. The clip mount frees up desk space and allows the light to be moved as needed. The slim, minimalist design features a fixed LED light source with 280 lm brightness and a 3000 K white light. The flexible metal arm allows you to direct the light exactly where you need it.

Technical details

Stella Clip is a spotlight that clips on to the edge of a desk or shelf. The long, flexible arm allows you to direct the light where it is needed. Metal/plastic frame in white. Non-replaceable LED 3 W 280 lm 3000 K. Europlug, white 1.5-meter cable on/off switch.
