

Frost -40°C

LED A60 840 840lm E27 FROST OP

Frost-resistant LED lamps for cold winter conditions

Description of product family

The lamps in the Frost range are specifically designed for cold environments. The LED frost lamp maintains reliable operation all year round. The operating temperature range is exceptionally wide, from –40 °C to +40 °C. Technical specifications are clearly presented on the packaging. Standard bulb models (A60) are available in warm white 2800 K or cool white 4000 K. The cylindrical Tubular lamps (TUB37) are ideal for slim outdoor luminaires. Tubular lamps emit white light at 3000 K or cool white light at 4000 K.
