Jumbo 1,2 L

JUMBO STEEL MUG 1.2 L PINK

New, improved mug version!

Description of product family

The popular Jumbo mug is now available in an even larger size with a stylish new look. The handle has been redesigned for improved comfort. The metal straw features a shaped silicone tip that’s easy to keep clean. When not in use, the straw opening can be sealed with a tight-fitting silicone plug. Instead of a screw cap, the lid is pressed firmly into place. This jumbo mug holds a generous 1.2 liters! Available in black or pink. The pink version features a cream-colored handle.

Technical details

Redesigned larger Jumbo mug, capacity 1.2 L! Material: steel, plastic, and silicone. Color: light pink with cream-colored accents. Includes a straw. The straw opening can be sealed with a silicone plug when not in use.
