

Tubular LED

LED TUB45 827 1055lm E27 OP

Slim tubular bulb

Description of product family

The bulb of a Tubular LED lamp has a long, slim, cylindrical shape. The light output covers the entire surface of the lamp. Tubular lamps are especially suitable for luminaires where a standard bulb does not fit and/or where an even light distribution across the whole luminaire is desired. Technical specifications are clearly presented on the packaging. Available colour temperatures are warm white and cool white (2700 K and 4000 K).

Technical details

Opal tubular LED lamp from the Tubular series for slim luminaires. Power 9.5 W, warm white colour temperature 2700 K. E27 base, 1055 lm, lifetime approx. 15,000 h. Dimensions Ø 45 × 152 mm. Carton.
