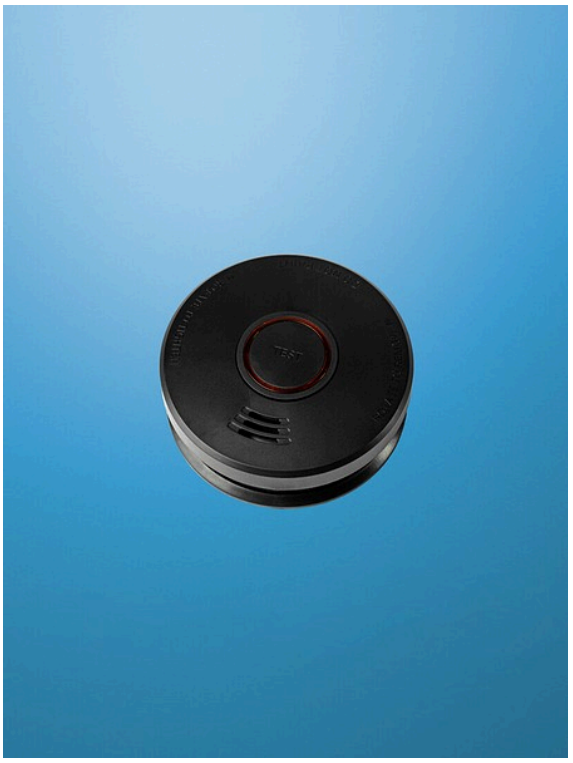
Black fire alarm with replaceable battery

SMOKE ALARM OPTICAL BLACK 9V

Optical, DC 9 V



Description of product family

This optical fire alarm provides security for your home. Powered by a replaceable 9 V battery, meets the requirements of the EN14604:2005/AC:2008 standard. In case of fire, the alarm lets out a loud sound (≥85 dB/3 m). The large test button makes testing the alarm regularly easy. The alarm sounds a warning when the battery level is low. The alarm cannot be installed without a battery, which makes it safer to use. The stylish black color is perfect for Scandinavian interiors.
