Spark

SPARK FLASHLIGHT 800LM

Flashlight-lantern

Description of product family

A durable and versatile flashlight and lantern – two products in one! This versatile and durable flashlight features a 30 W main LED with SMD LEDs, providing a light output of up to 800 lumens. The flashlight has a zoom function, and it works for up to 3–20 hours on a rechargeable 2000 mAh battery. Charging is quick and easy with the included USB-C cable. The lamp features multiple lighting modes and both flashlight and lantern functions. Perfect for everyday use and for camping trips! You can choose a cool, warm or red light for the lantern. The flashlight also features LED lights that indicate the charge level of the battery.
