SmartHome Clear CCT

Smart A60 827-865 470lm E27 CL

Adjust the colour temperature seamlessly from warm to cool white.

## Description of product family

Adjust the colour temperature of Airam SmartHome CCT LED lamps from warm to cool white (2700–6500 K). The clear-finish lamps also feature dimming functionality, allowing you to create a wide range of lighting atmospheres at home. Easily control light settings and create schedules using your mobile device. The lamps can also be switched on and off with a standard wall switch, while the last used lighting setting is stored in the lamp's memory.

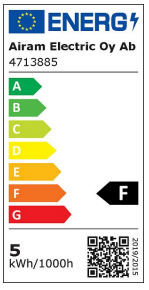

Airam SmartHome smart products are controlled via the Airam SmartHome app. Download the free app from the App Store or Google Play. Connect the devices directly to your home WiFi network – no separate hub is required. The products can also be connected to voice control via Google Assistant, Amazon Alexa or Siri Shortcuts.
