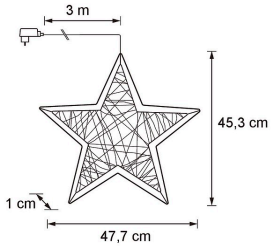
# Elmo Star

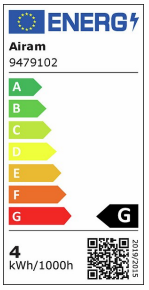
## ELMO STAR 47.7X45.3CM COB+MICRO LED

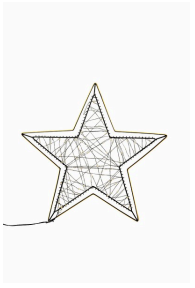
LED-dekoration

## Description of product family

A beautiful star-shaped light decoration outlined with a smooth, seamless LED strip. In addition to the edge lighting, a delicate LED wire is placed in the centre of the star. The structure is formed from bent black metal. Suitable for both indoor and outdoor use. The transformer features a timer function: pressing the button once turns the light on. A second press activates the automatic timer, indicated by a green light on the button. In timer mode, the product stays on for 6 hours and off for 18 hours. Be mindful of the time of day you activate the timer! A third press switches the product off.







## Technical details
