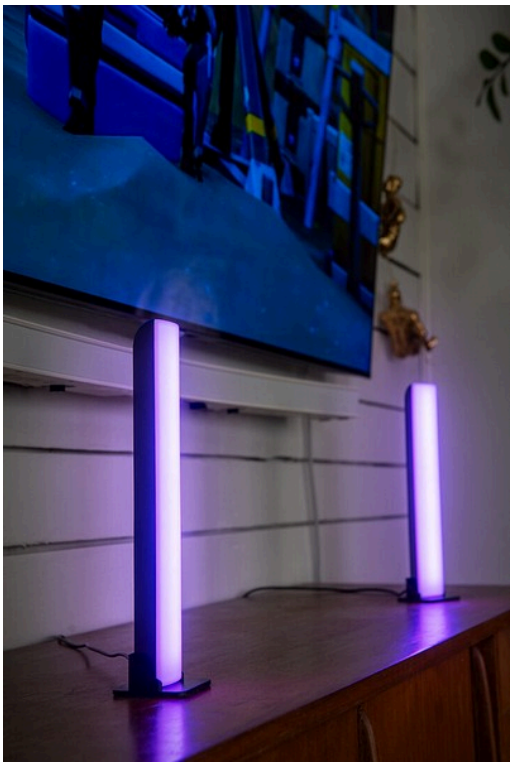
SmartHome Arcade RGB

SMARTHOME ARCADE RGB LIGHT BARS

Tabletop light bars, 2 pcs.



Description of product family

Create fun lighting effects in your gaming room! The set includes two tabletop light bars. Connect the lights to your home Wi-Fi network with the Airam SmartHome app. This allows you to control the lights easily from your phone. Get access to all the useful features offered by the app, such as the versatile timer function and adjustable colors. The music function can be used to sync your lights to music! A power source for the lights is not included in the package. The lights are powered through a 5-V USB-A port, which is compatible with desktop computers, for example.
