IP20

Alos 3000 K

Alos 290 IP20 18W/930 STEP DIM BK

Ceiling luminaire, CRI90

Description of product family

High-quality ceiling light for general lighting. For dry indoor use in the home, enclosure class IP20. The high CRI90 color rendering index enhances the colors of objects and the environment in a natural way, making them more lifelike. You can adjust the light output of the luminaire in three steps using a standard light switch. No separate dimmer is required. 3-step-dim: 100% > 50% > 10% light output. The light is reflected from the mounting surface behind the luminaire, accentuating its elegant, low-profile structure. Available in two different sizes and in black or white. The 3000 K ceiling lights complete the Alos product family.
