Anoom Desk

Airam Anoom desk lamp E27 black/wood

ANOOM DESK LAMP E27 BL/WOOD

Table lamps with wooden details

Description of product family

Pretty table lamp with wooden details. Globe diameter 12 cm, lamp height 34 cm. Two different color options for the frame: black and beige. The luminaires have an E27 bulb socket, and a P45-shaped bulb is the best fit for this fixture. Choose a suitable bulb from Airam's wide range of LED options. We recommend using Airam SmartHome bulbs that you can adjust and time using the mobile app. Or try out the 3-Step-DIM bulbs that can be dimmed using a standard light switch!

Technical details

Anoom table lamp, height 34 cm, matte black steel globe Ø 12 cm. Details made of wood. Bulb max. 20 W E27, not included. On/off switch situated on the stand, adjustable arm. Textile cable 1.8 m.
