Anoom Floor

ANOOM FLOOR LAMP E27 BK/WOOD

Floor lamps with wooden details

Description of product family

Floor lamp with wooden details. Globe diameter 12 cm, lamp height 155 cm. Two different color options for the frame: black and beige. The luminaires have an E27 bulb socket, and a P45-shaped bulb is the best fit for this fixture. Choose a suitable bulb from Airam's wide range of LED options. We recommend using Airam SmartHome bulbs that you can adjust and time using the mobile app. Or try out the 3-Step-DIM bulbs that can be dimmed using a standard light switch!

Technical details
