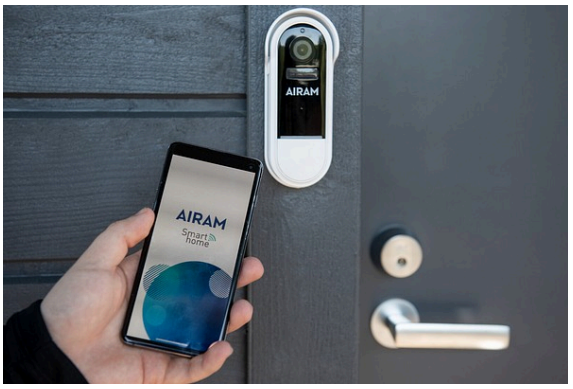
Smart Doorbell

SMART DOORBELL



Description of product family

In addition to lights, the Airam SmartHome collection also includes home security products. Add the Smart doorbell to your Airam SmartHome app. The doorbell is equipped with a camera, two-way audio and a motion sensor. The app lets you see who's at the door, listen to the visitor and speak to them through the speaker on the doorbell. The doorbell also includes night mode and a lock to prevent theft. Operating temperature -20 °C to +50 °C.
