Airam 26L Klassikko

AIRAM 26L KLASSIKKO 12V / 230V

12V / 230V cooler box, 26 L

Description of product family

The 26 L Klassikko cooler maintains the desired temperature economically using mains power. The ECO energy-saving setting saves up to 60% energy compared with the MAX setting. Fast cooling thanks to the bidirectional fan motor. Cooling to 8–14 °C in ECO mode and down to 18 °C below ambient temperature in MAX mode. There is room inside the cooler for a 1.5 L drinks bottle in an upright position. Cold/off/hot selector switch.

Technical details

The Airam Klassikko 26 L cooler operates on both 12 V and 230 V and provides energy savings of up to 60% in ECO mode compared with MAX mode. Fast cooling is enabled by the bidirectional fan motor, while polyurethane insulation helps keep the interior efficiently cooled. Cooling to 8–14 °C in ECO mode and down to 18 °C below ambient temperature in MAX mode. Capacity 26 litres, suitable for 1.5-litre bottles in an upright position.
