Camper RC lantern

CAMPER LANTERN 1000LM USB-RC

Travel lantern

Description of product family

The compact USB rechargeable LED camping lantern lights up the darkness. The Camper RC lantern complements the selection of the versatile Camper lantern family. The compact size lantern is perfect for camping, cottage trips or picnics, for instance. Hang the lantern from its handle, or just place it on the ground or table. There are four blue charging indicator lights above the I/O switch: 25-50-75-100%. On the I/O switch, there are three adjustable light modes from bright white to warm dimmed light, a maximum of 1000 lumens. USB rechargeable. The lantern has a USB port to charge other devices as well.
