Magnum

MAGNUM 500 FLASHLIGHT

Flashlight

Description of product family

Airam's Magnum 500 flashlight features a lens with great optics that produces a full and pure beam pattern. The shining blue ring increases sideways visibility. The on/off shines green in the dark, thus making it easy to see. The waterproof flashlight (IP65) is not suitable for diving use. The product can also withstand falling from a height of two meters. Black aluminum housing. Diameter 40 mm, Length 124 mm. A wrist loop allows you to carry the flashlight securely or hang it.

Technical details
