SmartHome Gabe Slim RGB

Smart Gabe Slim 18W/827-865 BK

Ceiling luminaire

Description of product family

SmartHome Gabe Slim is a ceiling luminaire that can be connected to the household's WiFi. Its features are controlled with the easy-to-use Airam Smarthome app. A stylish luminaire with a very low frame structure: it is only 29 mm high. Choose either impressive RGB colours or different hues of white light that can be adjusted steplessly (2700 K – 6500 K). Furthermore, the luminaire features a backlight that reflects indirect light into the room via the surface the luminaire is attached to. The backlight cannot be controlled separately. Dim the light and use the app's versatile timer options – you could, for example, set the luminaire to wake you up in the morning with a gentle glow. Available with a black or white edge.
