Black optical fire alarm with a 10-year battery.

SMOKE ALARM BLACK 10 YEAR

Fixed lithium battery, service life 10 years.

Description of product family

Stylish optical fire alarm with a 10-year battery. A long-lasting and reliable device with a fixed 10-year lithium battery – no need to worry about changing batteries! The alarm sound is loud (≥85 dB/3 m), and the large test/silence button makes testing the alarm regularly easy. The alarm meets the requirements of the EN14604:2005/AC:2008 standard and includes a low-battery alarm mode and an 8-minute silence function. The device features a 14-hour disruption-free mode: when the battery starts reaching the end of its service life, the device will issue a warning – giving you plenty of time to purchase a new alarm! Easy to install with the included mounting plate.
