Lume

LUME HEADLAMP USB RECHARG. 500LM

Headlamp, 500 lm

Description of product family

This multi-functional flashlight with gesture control combines XPG and COB LED technology, offering several versatile lighting modes: XPG bright, COB bright, XPG+COB bright, COB red and flashing red. Thanks to the convenient gesture control, switching the lamp on and off is easy and requires no button presses. With its light output of 500 lumens and operating time of up to 8 hours, this lamp is an excellent choice for various everyday situations. The included 1200 mAh Li-polymer battery and USB-C charging ensure quick and easy use.
