Ray

RAY 2000 USB RECHARGEABLE FLASHL.

Flashlight with zoom function, 2000 lm

Description of product family

Powerful flashlight with zoom function and different lighting mode options. This flashlight features a light output of 2000 lumens. It offers superb brightness and a wide range of light functions: bright, medium, dim, flashing and SOS. The zoom function allows you to focus the light as needed, and the battery status indicator helps you keep an eye on the battery's charge level. The operating time of the flashlight is 3 hours on the brightest light setting. The 2600 mAh Li-ion battery charges quickly with USB-C charging, so the light is always ready for use!
