Dual

DUAL HEADLAMP USB RECHARG. 350LM

Headlamp band, 350 lm

Description of product family

Lightweight and durable headlamp with gesture control. This versatile light source combines XPE and COB LED technology, offering five lighting modes: COB bright, COB dim, XPE bright, XPE dim and flashing. Gesture control makes the lamp easy to use, and the battery status indicator helps you keep an eye on the battery's charge level. The light output of the lamp is 350 lumens, and the operating time is 2.5 hours on the brightest light setting. Made of durable silicone, the band is lightweight (only 64 g), making it comfortable to wear for even longer periods of time. The 1200 mAh rechargeable lithium battery charges quickly in 2–2.5 hours, so it is always ready for use.
