Turn

TURN FLASHLIGHT 2500LM USB

Flashlight with turbo function 2500 lm

Description of product family

Powerful and versatile flashlight with up to 2500 lumens in Turbo mode (for 30 seconds). Several different lighting modes, such as bright, dim, flashing, SOS and Turbo. When using the dim mode (500 lumens), the operating time of the flashlight is up to 12 hours! You can turn the head of the flashlight 90° to the side. This means that you can place the light upright on a table, for example, with the light beam directed forward or behind an awkward angle. Durable aluminum frame. An excellent choice for even the most demanding conditions! Equipped with a 2600 mAh battery and USB-C charging.
