ELIAS METAL CANDLE BRIDGE WHITE

LED Candelabra

Description of product family

A striking 7-arm LED candelabra suitable for a wide range of interior styles. The clear candle cups are non-replaceable. The sturdy metal frame is available in black or white. Intended for indoor use. The transformer includes a timer function — when the indicator glows green, the timer is active. The light will then stay on for 6 hours and off for 18 hours.

Technical details

Striking 7-arm LED candelabra. Metal and plastic, white frame. 7 warm white LEDs. Size 30.7 × 8 × 56.6 cm. Transformer with timer included. Indoor use only.
