Loop Clip 3D

Loop Clip 3D 6W/865 480lm WH

Magnifying luminaire

Description of product family

The magnifying LED lamp is an excellent tool for precision work at home, in the workplace, or for hobbies. The lamp features a high-quality 3D glass lens with 1.75x magnification. LEDs surrounding the glass lens emit cool white light (6500 K). The flexible arm allows you to direct the light exactly where needed for optimal visibility. The clamp mount makes it easy to reposition the lamp and frees up workspace. Power switch located on the lamp body.
