Tulip

PLANT LIGHT TULIP 16W/940 780LM

Grow light

Description of product family

Grow light with two flexible arms and two light sources. Attach the light to a tabletop using the convenient clamp, suitable for tabletops up to 30–35 mm thick. The flexible arms allow the lights to be directed independently. Two fixed cool white LED light sources, 4000 K. The light sources cannot be controlled separately. The luminaire features an automatic three-stage timer. Select the desired timer setting using the button on the cable: 8 h (on 8 h / off 16 h), 12 h (on 12 h / off 12 h) or 16 h (on 16 h / off 8 h). The timer controls both on and off cycles. To change the timer setting, reset it by briefly disconnecting the luminaire from the power supply.

Technical details

Grow light with two flexible arms and independently adjustable light heads. Practical clamp mounting for tabletops up to 30–35 mm thick. Fixed LED 4000 K, 16 W, 780 lm. 5-step dimming and 3-stage timer (8/12/16 h). Reset the timer by disconnecting the light from the power supply. For indoor use, IP20.
