IP20

Alos 4000 K

Alos 240 IP20 15W/940 STEP DIM WH

Ceiling luminaire, CRI90

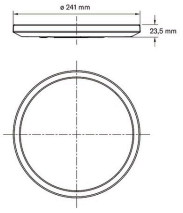

Description of product family

A high-quality ceiling luminaire for the general lighting of dry indoor spaces. Protection rating: IP 20. The high CRI90 colour rendering index means that the light emphasises the colours of objects and the environment in a natural way and makes them more lifelike. The luminaire has a three-step luminosity adjust with a regular light switch. No separate dimmer required. 3-step-dim: 100 % > 50 % > 10 % luminosity. Stylish, low frame structure that is highlighted by light reflecting on the attachment surface behind the luminaire. Available in two different sizes and in black or white.

Technical details

Ceiling luminaire with a low structure for indoor use. Protection rating: IP20. Can be dimmed in steps by pressing the light switch: luminosity 100 % - 50 % - 10 %. Does not require a separate dimmer. The background light emphasises the low frame and brings pleasant indirect light into the space. Ø 240 mm. Fixed 15 W LED, 1300 lm. Colour rendering index CRI90. White frame.
