ANOOM PENDANT 38 E27 BE

Interior decoration lights with wooden details

Description of product family

Classic and timeless pendant lights with wooden details, globe diameter 38 cm. Three different color options for the frame: matte black finish with white interior, matte beige finish with beige interior, green matte finish with white interior. The lights include an E27 lamp holder, so you can choose the bulb you want for the light. We recommend using Airam SmartHome bulbs that you can adjust and time using the mobile app. Or try out the 3-Step-DIM bulbs that can be dimmed using a standard light switch!
