Savio Bollard

Savio Bollard IP44 E27 PCO DK GR

Bollard Luminaire

Description of product family

The Savio bollard luminaire features a dark grey body. The louvered shade design directs light in a way that avoids glare for passers-by, while the opal diffuser ensures soft, even illumination. Use a slim E27-base Tubular bulb. The Savio family includes both wall and bollard models – perfect for creating a consistent outdoor lighting design around your home.
