Arli Tilt

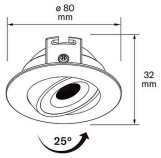

Arli Tilt 4W 930/940 36D WH 3-pack

Recessed Downlight – 3-Pack

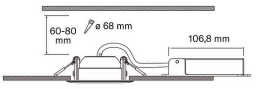

Description of product family

The Arli Tilt recessed downlight is suitable as general lighting in dry indoor areas of the home. Before installation, select the preferred colour temperature – warm white (3000 K) or cool white (4000 K) – using the switch located on the back of the luminaire. The light direction can be adjusted manually. The package contains three downlights, each equipped with its own junction box to facilitate wiring and loop-through installation. Available in white housing. Excellent colour rendering: CRI > 90.

Technical details
