Ailo Tilt

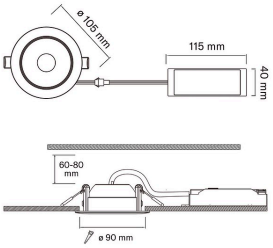

Ailo Tilt IP20 6,5W/3CCT DIM WH

Recessed Downlight

Description of product family

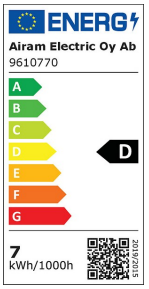

Ailo Tilt is a versatile recessed downlight designed for dry indoor areas of the home. In addition to general lighting, its wide 90° tilt angle enables targeted accent lighting even in challenging spaces or in rooms with steeply sloped ceilings. To reach the extreme tilt position, gently press and rotate the edge of the light module. The colour temperature is selected before installation via the driver switch (warm white 2700 K – cool white 4000 K – cold white 6500 K).
